**\*Different invoice recipient**

Due to value-added tax legislation requirements, Messe München GmbH can only issue or rewrite invoices to an invoice recipient other than the exhibitor, if the recipient is Messe München GmbH's contractual partner concerning the services to be charged. If the exhibitor wants to designate the invoice recipient as the contractual partner of Messe München GmbH instead of him/her, he/she can request the appropriate form at [info@ispo.com](mailto:info@ispo.com). The form should be completed and signed with legally binding effect and returned to Messe München GmbH. If Messe München GmbH has already rendered services to the exhibitor at the time of receipt of the request form, Messe München GmbH will have to bill these services to the exhibitor.
