Dr. Jacoby´s Pferdesalbe bio Hanf

Relaxed with hemp - How naturopathy helps!

Movement pain, osteoarthritis, back and neck discomfort due to stress, all this affects well-being and a positive attitude.

Our modern lifestyle requires products that provide relaxation and well-being quickly and sustainably.

The combination of bio hemp, cedar wood oil, rosemary oil, camphor and menthol is soothing for musculoskeletal disorders, pain in the joints and bones. For better mobility as well as smooth and powerful joints. For a feeling of relaxation and well-being.

Available as Can 200ml und Roll On 75ml

Ingredients:

Aqua, Isopropylalcohol, Cannabis Sativa Seed Oil, Rosmarinus Officinalis Oil, Juniperus Mexicana Wood Oil, Camphor, Menthol, Vanillyl Buthyl Ether, Carbomer, Limonene, Linalool, Phenoxyethanol, Ethylhexylglycerin
