

Future Lab / Digitize Hub – Stage Time

Price

Exhibitor	2.600,00 EUR
Non-Exhibitor	4.500,00 EUR

The heart of ISPO Munich is the newly designed Future Lab – a physical knowledge center that addresses the relevant trends, innovations and transformations of the sports industry beyond the product. The curated marketplaces on the topics of transformation and digitalization offer the opportunity to present your own solution approaches in the form of a physical booth or a presentation.

Suitable for consulting, technology, service and solution providers from the retail, transformation and digitalization sectors.

Services

- 25 minutes speaking time in the Speakers Corner
- Presentation technology
- Integration in the program
