# The ISPO Award-Expanded, improved and more international!

One of the most established awards in sports, the "ISPO Award", has been re-worked from the ground up and is now based at ISPO.com all year round. Due to this strategic positioning, the award will be communicated directly through the wide-ranging, mega-trend-oriented sports medium.

## All year round, easier and with presence at trade fairs.

# 

Submission and content provision (possible all year round)

## Jurymeeting Part 1 / Preselection

First independent jury meeting: pre-selection. (4 times a year / no sample necessary yet / selection only based on the information from the application documents)

## Exhibition at the trade fair

All awarded products and services will be presented at the trade fair of choice (ISPO MUNICH or OutDoor by ISPO). Additionally, the award-winning product will be presented in the accompanying Award Magazine, which every trade fair visitors receives.

# Editorial implementation and communication timeline

Our specialized editors will implement the digital review article (native advertising article) and the fullpage integration in the printed award magazine. The award winner decides when the communication shall begin and at which of the two trade fairs the exhibition should take place.
